12.		NOTICE OF MOTION From Councillor Glyn Daniels: "In my role as a Town and County councillor over the last four and a half years I have received numerous complaints about dog fouling around the Town, but in the last two years especially since the covid restrictions the complaints have increased weekly. I have been out many times cleaning up the fouling and put up over forty no dog fouling posters around town and have had the dog warden visit Blaenau several times, but most posters are taken down the same day. I've put up twenty luminous signs last week around the Town to see if these will be better, but let's see. NOTICE OF MOTION I propose that Ffestiniog Town Council address the serious problem of dog fouling in our community as a matter of urgency and make it clear to the perpetrators that this is not acceptable in our community."
